FOOD TRUCK REGISTRATION
September 13, 2026

A festival born from generosity

donated by
Life Changes Realty Group

event proceeds
to non-profits

community
impact

Since 2013, LCRG agents have donated 10% of their earnings from every single deal to a local non-profit of their client's choosing.

In December 2025, we hit \$1,000,000 in donations. Then we kept right on adding to it.

To celebrate, LCRG is proud to host the **Million Reasons Festival**, a one-of-a-kind community extravaganza spotlighting and supporting the incredible nonprofits that serve our region.

Every vendor booth, every ticket, every sponsor dollar raised on event day flows directly to the nonprofits serving our community. By becoming a vendor, you're making an immediate impact in Lancaster County and beyond by adding to that million. Help us reach the next million even faster.

This is more than a festival: it's a movement.

Most events keep a portion of proceeds. Not this one.
100% of the proceeds raised on event day return to the featured nonprofits — making every dollar a direct community investment.

LIFE CHANGES
— REALTY GROUP —

REGISTRATION INFO

for Food Trucks

No registration fee to participate.

EVENT DETAILS:

Event: The Million Reasons Festival

Presented by: Life Changes Realty Group

Admission: FREE & Open to the Public

Vendor Hours: 12pm Set up (Event hours: 1:00-5:00pm)

Location: Clipper Magazine Stadium - map will be provided before event

This event is a community celebration dedicated to shining a light on local nonprofits. Your participation directly supports these organizations, making your presence part of something truly meaningful.

You'll also have the opportunity to partner with a nonprofit that speaks to you and feature them at your table. We'll support you with signage to highlight your chosen organization and include them in our event marketing, helping amplify their impact even further.

MANDATORY NON-PROFIT DONATION OF 10% OF SALES.

PLEASE NOTE:

- Vendors *must* be permitted within Lancaster City.
- Vendors are responsible for providing own electricity, as needed.
