impact

Since 2013, LCRG agents have donated 10% of their earnings from every single deal to a local non-profit of their client's choosing.

In December 2025, we hit \$1,000,000 in donations. Then we kept right on adding to it.

To celebrate, LCRG is proud to host the **Million Reasons Festival**, a one-of-a-kind community extravaganza spotlighting and supporting the incredible nonprofits that serve our region.

Every vendor booth, every ticket, every sponsor dollar raised on event day flows directly to the nonprofits serving our community. By joining the event, you're making an immediate impact in Lancaster County and beyond by adding to that million. Help us reach the next million even faster.

This is more than a festival: it's a movement.

Most events keep a portion of proceeds. Not this one. 100% of the proceeds raised on event day return to the featured nonprofits — making every dollar made raised by the event a direct community investment.
